Smart Idaho practitioners turn to LexisNexis' Idaho Code as the only official source in Idaho for primary law. Idaho Code is widely recognized as the most authoritative, comprehensive, up-to-date, and easy-to-use code available. The first and last word in Idaho statutory research, the Idaho Code includes:

- 25 volumes plus current cumulative supplement
• The official state statutes, fully annotated
• Idaho Court Rules
• Comprehensive index, replaced annually
• Fully annotated cumulative supplements published annually within 90 days of receipt of all acts from the legislature
• Annotations based on all Idaho cases and federal cases arising in Idaho since statehood and pertinent Attorney General Opinions
• All case citations Shepardized for accuracy
