[ahem] My fellow netizens. Thank you for tweeting with me today. #YesWeScan is a vision and a plan for how GPO and .gov talk to the world.
Platform has emphasized jobs, librarians, and security of all Americans. Nation's publisher since 1861 must be ready for future. #YesWeScan
We should embrace new role for GPO, a center to public domain based on principles of open data/open source as key role for .gov. #YesWeScan
